

Kentucky Mountain Saddle Horse Association

Spotted Mountain Horse Association

APPLICATION FOR YOUTH SPONSORSHIP FUNDS

In an effort to encourage young riders in a struggling economy, a youth sponsorship has been established to assist with the payment of expenses incurred while attending and showing your horses at sanctioned AA Kentucky Mountain Saddle Horse Association shows. This sponsorship is intended to be used by those who need, and can benefit from, the assistance. We ask that those of you who do not need assistance to please leave the funds for those who might not otherwise be able to show horses.

A short application form must be filled out in order to be considered for the sponsorship funds. This application is available on the KMSHA website and must be returned to the KMSHA office at least two weeks prior to the show for which you are requesting funds. The funds can range up to \$500.00 per show, depending on need. They can be used for stall fees, class entry fees or DQP fees. The amount of the sponsorship received can be by way of voucher or the amount can be deducted directly from the recipient's bill at the show. Please feel free to apply prior to each show , if you can use the funds.

Good luck at the KMSHA/SMHA AA shows!

1. NAME OF YOUTH _____

2. ADDRESS OF YOUTH _____

3. PHONE and E-MAIL _____

4. AGE OF YOUTH _____

5. SHOW PLANNING TO ATTEND _____

6. HORSE TO BE SHOWN _____

7. TYPE OF CLASS (ie, Trail, Classic, Park) _____
